Shania: Thanks for joining us Noah! Best of luck with your music band! I just got this message from Abigail. Let me read it to you. She writes «The driveway's my favorite place! Because there's a basketball hoop above the garage door, so I can play basketball with my friends anytime I like!» That was from Abigail... And our time's up, thank you all for listening... That was Teens Talk with your host Shania Gimson. Tune in again next Saturday 6pm.
