Deanna's profile at school

Written comprehension

00 : 00 : 00

Hiya, I'm Deanna. Let me tell you about my profile at school.

I'm a fairly cheerful person : I usually wear bright colours, I like helping my classmates and I'm rarely grumpy, but it's true that I can sometimes be a little touchy.

I like school - except for French classes - so I usually do my best and I never forget my school stuff. However, I sometimes get into trouble because my friend Alecia and I are a little chatty ! But of course, I'm always polite and respectful, and I never act like a bully.

En 10mn, donnez le maximum d'informations sur Deanna. Attention : vous devez à chaque fois justifier en citant le texte.

Ex : Deanna est plutôt enjouée : "I'm a fairly cheerful person".
